Millage Proposition Road Resurfacing and Reconstruction Renewal

(This proposal will permit the County to continue its 1.0 mill levy for County Primary Road Resurfacing, Prevention, and related preparation, and City/Village Road Improvement, which expired in 2017. This proposal would renew the 0.9916 mill not reduced by the Headlee Amendment millage rollback, and it would increase that millage by 0.0084 to restore it to its original 1.0 mill.)

Shall the current authorized increase in the millage rate limitation of one mill imposed on all taxable property within the County of Allegan, Michigan, which last resulted in the levy of 0.9916 mills (\$0.9916 of each \$1,000 of taxable valuation) for road resurfacing and restoration, be renewed, and shall said millage be increased by 0.0084 mills (\$0.0084 of each \$1,000 of taxable valuation) to offset the millage reduction from one mill as required by law, resulting in a total levy of one mill (\$1.00 of each \$1,000 of taxable valuation), for a period of 6 years, 2018 through 2023, inclusive, for purposes of providing a fund for the resurfacing, preservation, and related preparation of primary roads included in the Allegan County Road System and for reconstruction, resurfacing, and maintenance of major and local streets within the incorporated limits of villages and cities within Allegan County; and shall the County levy such renewal and increase in millage for such purposes, thereby raising in the first year an estimated \$4,454,082.35?

Senior Citizen Services Millage Proposal

Shall the County of Allegan levy 0.493 mills (\$0.493 per \$1,000 of taxable value) for a period of four (4) years, 2018 through 2021, inclusive, for the sole purpose of providing funds for services to senior citizens? If approved and levied, this millage will raise an estimated \$2,284,575 for services to senior citizens in the first calendar year of the levy based on taxable value. This proposal is a renewal of a previously voter authorized millage of 0.436 mills and a new additional millage of 0.057 mills, the revenue from which would be disbursed to the County of Allegan.
